Sonoma Valley Unified School District is expanding the Transitional Kindergarten to include any child who turns five years of age during the 2018-2019 school year based on available space. **The following information includes: timelines and registration process.**

**Timeline:**
All students turning five during the 2018-2019 school year will register online beginning **February 1, 2018.**

- Cohort One students are automatically accepted into TK classrooms at available schools.
- Cohort Two students would be accepted beginning with December 2018 birthdays and continue in calendar order, based on available spaces.

<tr>
<td>Cohort Two</td>
<td>December, January, February, March, April, May, June, July, August</td>
<td>Two</td>
<td>Spring 2018</td>
</tr>
</tbody>
</table>

**Registration:**
Kinder Information Night is **January 24, 2018.** Information regarding TK and Kinder will be presented. Registration information will be available that evening at Altimira Middle School. Online Kindergarten Registration will be held on **January 31, 2018** at Altimira Middle School and at Adele Harrison Middle School.

Completed TK packets will be accepted online. SVUSD administration will determine the number of spaces available and at which school sites for TK. Families with children in Cohort Two (in calendar order) will receive a letter offering them a space in one of SVUSD’s TK classes as space becomes available.

**PARENTS: Please be aware that the number of Transitional Kindergarten classes available for 2018-19 will be directly dependent upon the number of students who register to attend a transition kindergarten class. The direct result may be that more TK students register than the district is able to create**
classes for. **As a result,** it may be the case that not all the TK students who register will be able to be placed in a class.
