

AP Exam Schedule 2021

Attention AP students who are taking AP exams this Spring. Below you will find the schedule for exams this year.

Some exams are in person (at SVHS) to accommodate College Board mandates, finals/graduation etc, while others will be remote (at home) due to COVID restrictions on spacing and safety. We thank you in advance for your attention and cooperation in regards to testing and the AP exam schedule for this school year. More information will be forthcoming to all AP teachers, and students taking exams. This will include what to bring, not to bring, safety guidelines, digital submission information for test taking and more.

Note: if you have approved accommodations you will be contacted individually with more specific information
